Relaxation and Healing...

Our staff of certified professionals are trained in a variety of therapeutic techniques, to aid body, mind, and spirit...

Massage offers a wide host of benefits, both physical and mental, for your well-being...

Japanese Facial...

Treat yourself to total relaxation. Indulge in a deep cleansing facial treatment. The warm compresses soften and exfoliate with a masque that nourishes and hydrates the skin. It includes hand, foot and head massage.

Detoxifying Bodywrap...

This is a balanced blend of 27 herbs and minerals that

cleanse and lose inches!

Ionic Foot Bath...Try the detoxifying and healing powers of water. Relax and soak your feet whilst your body rids itself of unwanted toxins.

Salt Glow...Exfoliate and moisturize your skin with a mixture of sea salt, oil and aromatics. Seal with a hydrating lotion.

Reiki...A Japanese technique used for stress reduction and relaxation that promotes healing through the “laying on of hands.”

Psychic Reading...Enjoy a personal reading by a local Psychic.

Energetic Healing...Repair and rebalance the energy of the body with a personal reading and remedy.

Hot Stones...Experience a specialty massage with Hot Stones. The heat relaxes the muscles, improves the flow of energy/circulation and calms the

nervous system. Relax and find comfort and healing in the warmth and energy of the stones.

Raindrop Therapy...

Experience the therapeutic effects of essential oils and hot compress that aids absorption.
